FOR IMMEDIATE RELEASE:

**Walton's Funerals & Cremations
Donates \$500 to KOLO News Fan Drive for Seniors**

Reno, NV (July 14, 2012) - KOLO TV will be collecting new fans for Washoe County Senior Services Center during the month of July. Tammy Dermody, owner of Walton's Funerals & Cremations, is challenging other business owners to match her donation of \$500 toward this important cause. "With temperatures in the 90s and 100s like they have been, it's especially critical that we do what we can to provide some comfort to the older members of our community," she said.

The donation drive is ongoing, but on Monday, July 16, KOLO is teaming up with the Atlantis, RC Willey and Wild 102.9 to collect fans and financial donations. From 5am - 7pm, they will be at the Atlantis west parking lot collecting your donations. While supplies last, the Atlantis will give out coupons for a free scoop of gelato for each donation.

Anyone interested in receiving a fan can contact the Washoe County Senior Services Center at 775-328-2575. People who can't make the drive on Monday, can still donate during regular business hours at KOLO 8 News Now, 4850 Ampere Drive, Reno, NV 89502 or the Washoe County Senior Services Center, 1155 E. Ninth Street, Reno, NV 89512. For more information on the fan drive, please visit www.kolotv.com.

About Walton's

Walton's has been Nevada's trusted source for funeral services for more than 50 years. For more information, please visit www.waltonsfuneralhomes.com.
